

~~SECRET~~

21 JUN 1963

25X1X7

Thank you for that you did for me during my recent visit.

25X1A9a

Did [REDACTED] get in touch with you? I gave him your address when he was in Washington to get his passport.

I promised to send you a bibliography of Soviet Aeronautical Research Facilities with a security classification no higher than SECRET. The bibliography is enclosed. I hope it arrives in time for your project.

Give my regards to the people in your office.

Sincerely,

25X1A9a
